

Drugs and Alcohol

NSCS Grayfox TWR 825

The NSCS Grayfox TWR 825 is committed to maintaining a drug-free workplace and prohibits the possession, sale, distribution, manufacture, use, transportation or purchase of any illegal drug or unauthorized controlled substances. Illegal drugs include marijuana, cocaine, heroin, amphetamines, barbiturates and other unauthorized controlled substances. It also violates Grayfox policy to use, obtain and/or be under the influence of any prescription drug while working other than as medically prescribed. To protect each other and ourselves, we should understand that certain mood-altering chemicals of any kind may impair our ability and may contribute to a variety of work-related problems.

Any member who has information regarding the possession, sale or use of illegal drugs or unauthorized controlled substances on Grayfox or client premises should contact his or her Grayfox leader.

Consuming and/or being under the influence of alcohol while working is also prohibited.
